

# CONGRATULATIONS!

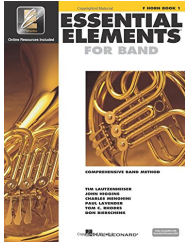

The instrument you have been selected to play is

## FRENCH HORN

- ★ The following supplies have been carefully selected to help students be successful in band.
- ★ Each beginning band student should obtain the supplies by September 1st.
- ★ Low cost substitutions can mean more and frequent costs later.
- ★ It is highly recommended to go through a local reputable music store (ex. Music & Arts, Strait Music, etc.) where all if not most of these items can be purchased.
- ★ The French Horn is typically rented to the student/family by Pflugerville ISD. You will only need to pay the usage fee, \$75, to cover the cost of keeping the instrument in playing condition. A usage agreement form/fee request will be sent home shortly after the start of the school year.
- ★ In lieu of purchasing an instrument, it is highly recommended that French Horn students take private lessons (as it is a fairly challenging instrument) and one-on-one attention could help ensure success. Lessons are 25 minutes long and are usually held during half of the band class, before or after school. Sign up for registration, and costs will be communicated via Knight Band Notes.

## Instrument Accessories

Essential Elements for Band  
F Horn Book 1

Warm ups and Beyond  
F Horn Book
